

Women's Roles in Nineteenth-Century America (Hardback)

By Tiffany K. Wayne

ABC-CLIO, United States, 2006. Hardback. Condition: New. Language: English. Brand new Book. The nineteenth century has been referred to as the Woman's Century, and it was a period of amazing change and progress for American women. There were great leaps forward in women's legal status, their entrance into higher education and the professions, and their roles in public life. In addition, approximately two million African American female slaves gained their freedom. Women's Roles in Nineteenth-Century America examines how economic, political, and social factors in the United States affected women's roles and how women themselves helped shape history. Each thematic chapter addresses ideas about women's proper roles as well as women's experiences of living in the nineteenth century. While the dominant ideas about appropriate gender roles originated from within the white Protestant and primarily middle-class culture, each chapter compares those ideas with the reality of different women's daily lives, integrating information on European American, African American, Native American, and immigrant women, and women of different socioeconomic and religious backgrounds and regions. Students and general readers will come away with a solid understanding of marriage and family life, the boundaries between home and public life, work, the intricacies of social and political...

Reviews

This pdf may be worth purchasing. This is for anyone who statte there was not a really worth reading. I found out this pdf from my i and dad encouraged this pdf to understand.

-- Mrs. Annamae Raynor

If you need to adding benefit, a must buy book. This really is for all who statte that there had not been a well worth reading. It is extremely difficult to leave it before concluding, once you begin to read the book.

-- Claud Bernhard
